National News—1965

1 A Wave for Friends—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 Pioneer in Space—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 Temporary Mood—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 Double Space Spectacular—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 Plea for Peace—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 Royalty on Tour—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

DEDICATION

To the Detroit Lakes High School Student of Physics or Chemistry, the name Mr. Robert Benson brings to mind hour after hour of careful and patient instruction in these areas. We will always remember him leaning across the blackboard, chalk in hand, cracking a joke during the many class periods spent clearing up difficulties in understanding the atom in chemistry or grasping Newton's Laws of physics.

Robert H. Benson received his B.A. from Mayville State College--North Dakota and his M.S. from the University of North Dakota at Grand Forks. Summer graduate work has taken him to Montana State University at Bozeman; North Dakota State University at Fargo. He has also spent summers at the University of Washington in the study of PSSC physics, and at Michigan State where he did graduate work in preparation for the new CHEM study program.

It was in 1958 that Mr. Benson came to Detroit Lakes High School as a teacher of chemistry and physics. Previous to this he had been superintendent of schools at Karlstad, Minnesota.

Throughout his eight years at D.L.H.S., Mr. Robert Benson has been a dedicated member of the faculty. He will be leaving us in order to take a position at Moorhead High School where he will teach chemistry. The students of D.L.H.S. wish Mr. Benson the best of luck in his future.

ADMINISTRATION

A D M I N I S T R A T I O N

Superintendent of Schools, E. E. Anderson
Senior High School Principal, F. Miles Nelson

This was the first year for both Mr. E. E. Anderson, our Superintendent of Schools, and Mr. F. Miles Nelson, our Senior High School Principal, in the Detroit Lakes School System. They both did a very effective job and worked well with the teachers and administrators, gaining their respect and admiration. Here is a personal word from both:

"It is my hope that this year you have gained much knowledge, grown in physical stature, become more mature emotionally, broadened your social life, made new friendships and developed positive and admirable traits of character. It has been an interesting, challenging, and enjoyable year for me and I hope for you" . . . E. E. Anderson.

"In a rapidly changing world, educational thinking and educational practices must progress at a rate that will keep pace. We need to inovate, invent, experiment, and improve if education is to fill the needs of all in the future of this great country. The cooperative efforts of a fine dedicated faculty in Detroit Lakes gives promise of helping this community to make such progress. The student body has a challenge to enter into this cooperative effort" . . . F. Miles Nelson.

CLASSES

SOPHOMORE CLASS OFFICERS: Bruce Person, president; Marth Benewicz, vice-president; and Elizabeth Askegaard, secretary-treasurer.

SOPHOMORE CLASS FITS RIGHT IN

The Sophomore class fit right into their places in this year's activities. Their participation in sports, plays, and music activities really got the ball rolling. During the school year they attended dances and Homecoming activities for the first time. The Sophomores have many adjustments to make, but thanks to the Juniors, Seniors, and last but not least, the teachers, they started off on the right foot in the right direction. The Sophomores are now looking forward to future experiences as Lakers in their future years of high school.

The Junior class this year proved to be a never tiring group of kids. Their enthusiastic spirit was a welcomed part at all sport activities and pep rallies. Their participation in dramatics, athletics, speech activities, and general all around school organizations was greatly appreciated and highly praised. The Junior class was busy all year taking exams, and preparing forms to enter their all important Senior year. This class provided us with Girl's and Boy's State candidates and some were inducted into the Honor Society. They did a fine job this year and should prove to be a good, well-rounded class for the coming year.

JUNIOR CLASS OFFICERS: John Peterson, president; Dennis McKenzie, vice-president; Paul Nelson, secretary; and Dave Schiller, treasurer.

The class of 1966 here at D.L.H.S. had a very active year. Besides participating in the various athletic programs- the 66'ers worked hard for the Student Council, Detronian, DeLakonian, Letterman's Club, Debate, and National Honor Society. The class of '66 brought new unity and spirit to the D.L. student body, and we are sure that this spirit of activity and participation will be the legacy they leave after graduation.

"A" SQUAD FOOTBALL

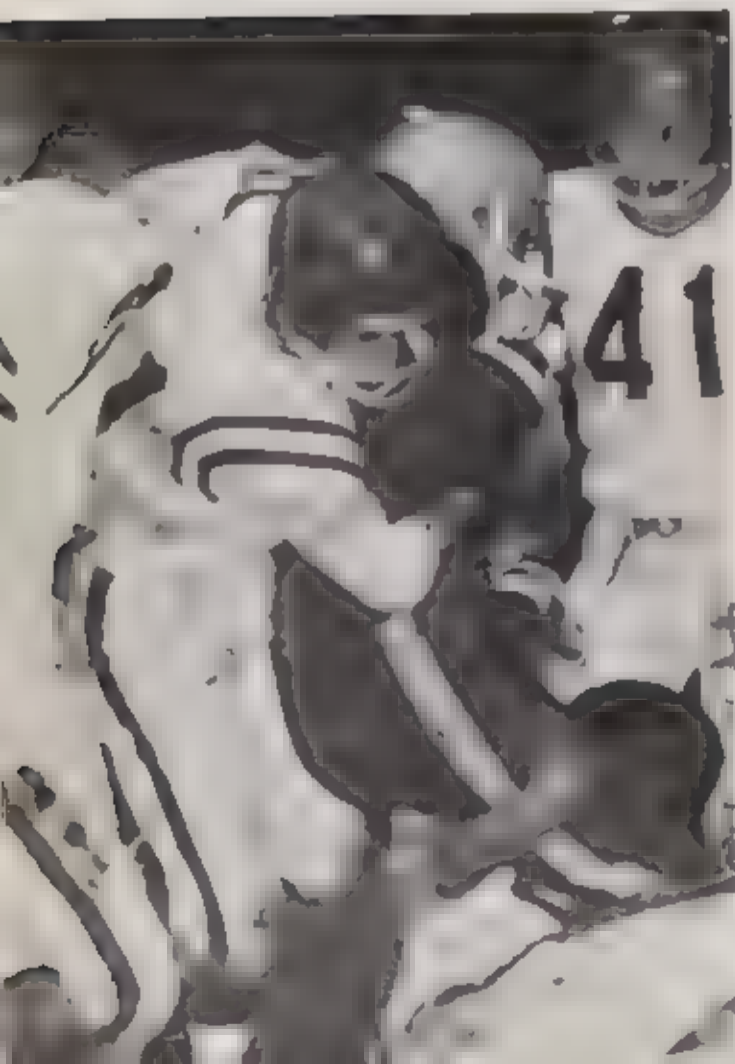

The Lakers' football team started out like it would end up with the championship, but then lost some tough games to spoil their chances.

The season began with two victories over Perham and Wheaton, but Fergus Falls handed the Lakers their first defeat. The Lakers came back to clobber Breckenridge. Our Homecoming was successful again as the Lakers whipped Thief River Falls. Following Homecoming the Lakers edged Wadena but dropped two in a row to Moorhead and Alexandria.

Co-captain Howie Anderson had a great season. He led the team in scoring with 42 points and in ground gained with 689 yards. The whole team played their hearts out throughout the season and the whole student body considered a 5-4 record quite impressive seeing the Lakers were "in" nearly all of the games they lost.

"B" SQUAD FOOTBALL

The Detroit Lakes B-squad football team compiled an excellent 6-1 record over the 1965 season. Detroit Lakes students can look forward to an excellent varsity football team in the very near future, judging by the B-squad's excellent showing in 1965.

LAKERS' "A" TEAM

The heart-stopping Detroit Lakes Lakers almost "pulled it out" again. The Lakers battled their way into the Region 6 tournament by trouncing Moorhead 67-56 in the District 23 finals. In the first round of the Region 6 tourney the Lakers lost to Henning, one of the top teams of the state, by a score of 73-56. The Lakers came back to beat Benson 59-56 for third place honors.

After playing inconsistently through the season, the Lakers seemed to jell at the right time and caught fire during tournament play. The Lakers ended up with a 6-4 conference record and 13-10 overall.

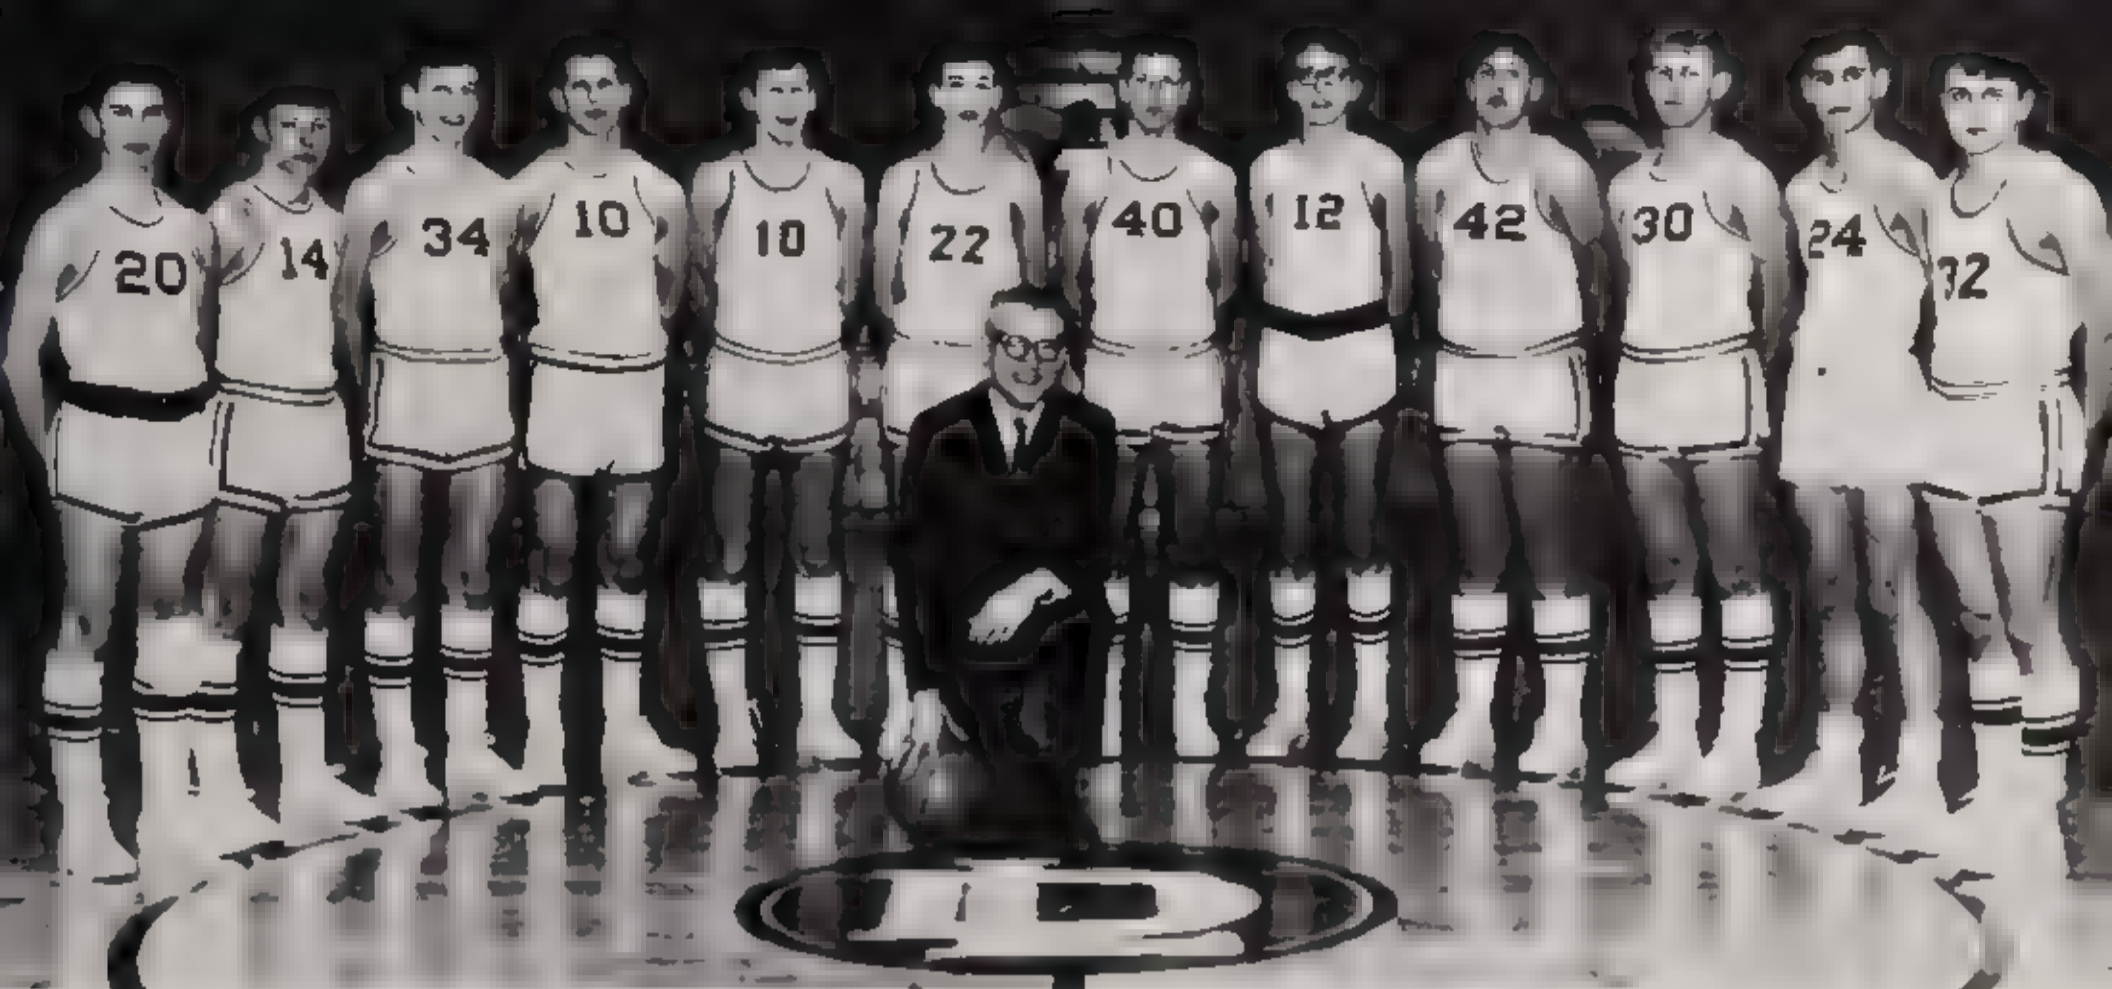

One outstanding feature of the Lakers' basketball team this year was their depth and balance. The Lakers had six men who scored well over 100 points and were backed by a strong reserve unit.

Hats off for a job well done boys!

LAKERS "B" TEAM

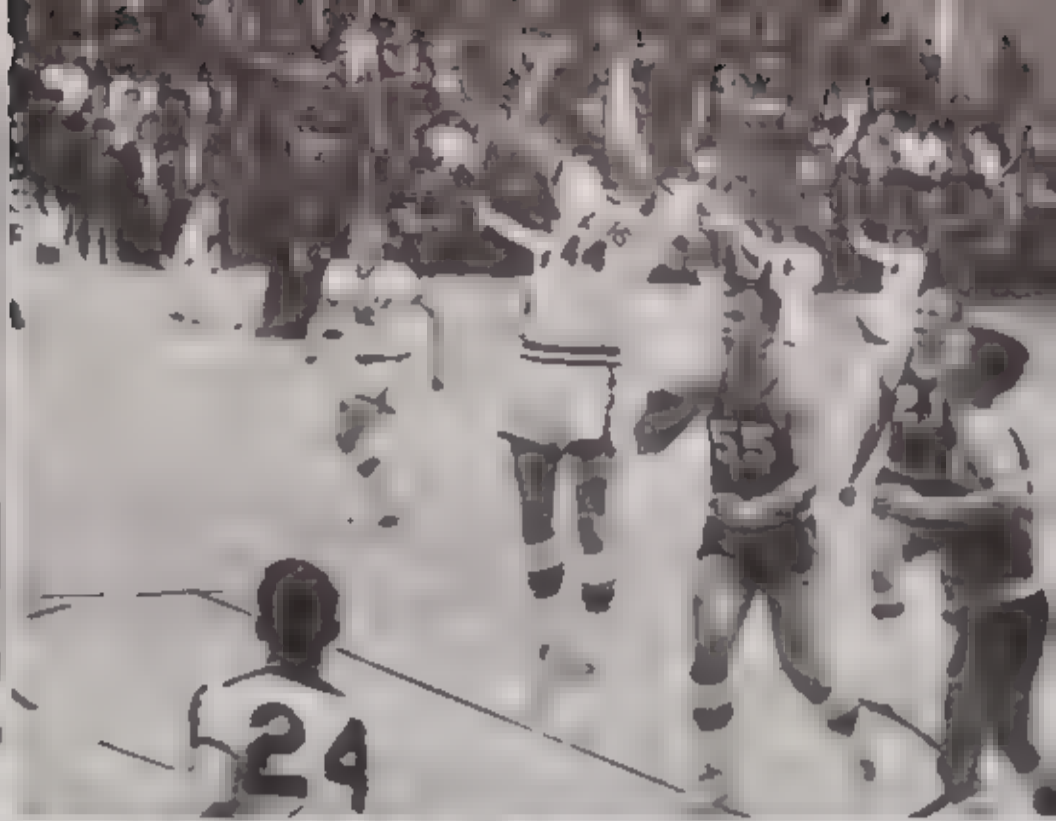

Coached by Jerry Peterson, the Lakers finished with an 8-10 record on the year. Predominantly a sophomore team playing against teams largely made up of juniors, the Lakers did an outstanding job.

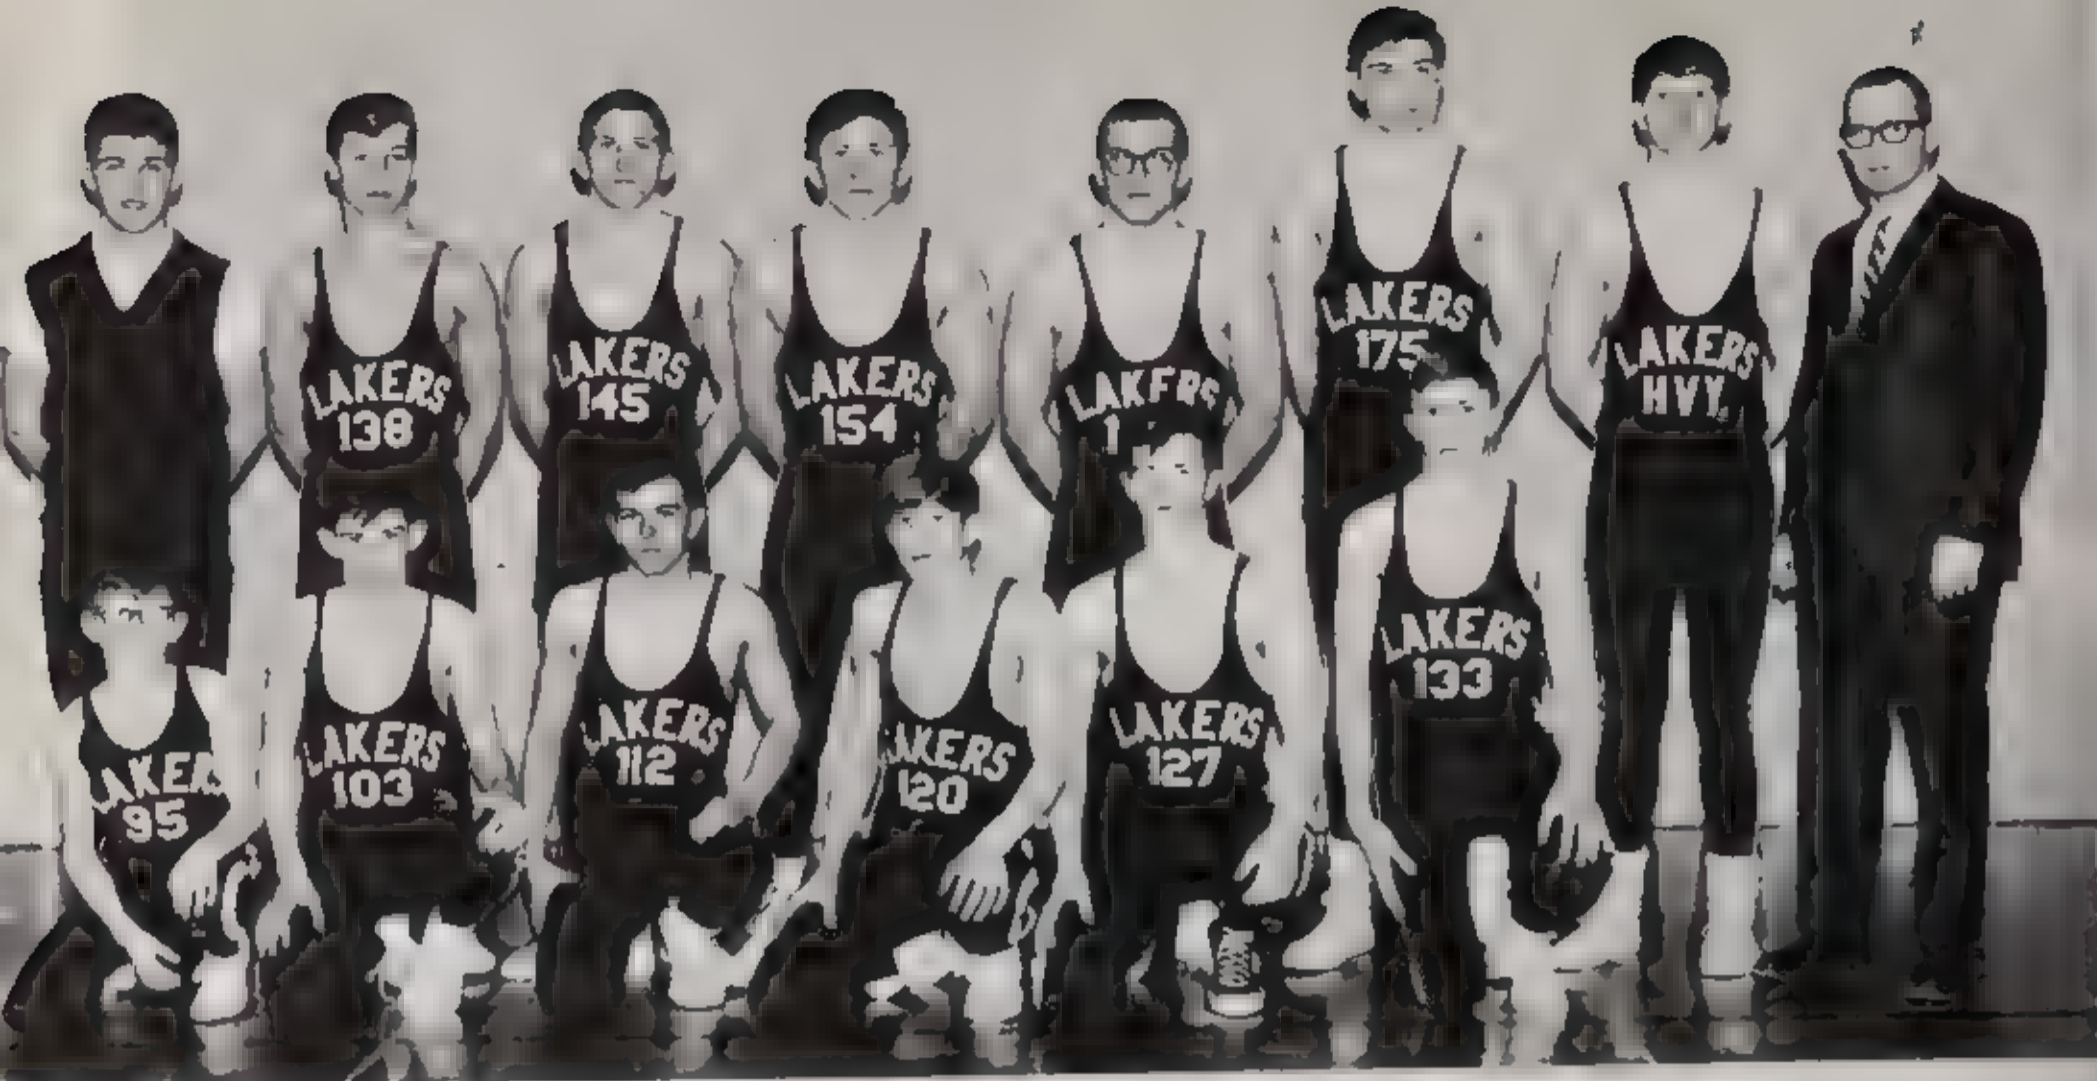

This year's Laker team was one of the highest scoring B-squads in Detroit Lakes history, led by Jack Wiedewitsch who scored 208 points, and Mike Gunderson who scored 207 points. We are looking forward to seeing this year's B-squad as future varsity Lakers.

WRESTLING

The sweat, toil and tears of the "hardest working athletes" was well worth the effort as could be attested by the most successful wrestling season Detroit Lakes has yet had. Ben Houge finished high in the State Wrestling Tournament also finished 1st in the Region Wrestling Tournament. Joe Kennedy was a 3rd place finisher in the Region in which Joseph Moll and Steve Strawsell also competed. The D.L. team finished with a respectable 3rd place in the District 23 Tournament.

The team was headed by first year coach Maynard Tinquist who channeled the efforts of the senior team to a 5-6 meet record with the help of co-captains Joe Kennedy and Ben Houge. Good luck next year boys.

The 1965-66 Laker Swimming team compiled a 1-3 mark. Their only victory coming over Brainerd. The win-lost mark is not indicative of the fine season the Lakers had. Two of the meets were lost by very small margins. In swimming the length of a finger can mean the difference between victory and defeat, and it happened quite often this past season.

In intramural swimming, the Seniors took both meets, but were pressed all the way by some very able junior and sophomore swimmers.

The Synchronized Swimmers were kept busy this year. They competed in a district meet in the cities in the fall, put on a Christmas show, attended a clinic at the U of Minnesota, in March, and competed in the State Meet in the spring.

The theme for the Christmas show this year was "Aqua Noel", with the girls swimming to the familiar Christmas carols and winter favorites. The sixteen numbers included solos by Deanne Goebel, Meg Reid, and Barb Blanding, four duets, a trio, and eight team numbers. Themes ranged from Santas elves, toys, bears, and wooden soldiers to the wise men, angels, and choir boys.

The State Meet was held in Stillwater April 15, 16, and 17. Here the girls swam their routines before judges who graded them on their style and execution. Individually they competed in stunt competition with 175 other girls. The "Lavender Lace" duet with Kathy Kwako and Marion Swanson placed fourth and the "Shina No Yoru" team with Meg Reid, Deanne Goebel, and Barb and Carol Blanding placed fourth. In stunt competition Deanne Goebel placed fifth. The whole team placed fifth out of sixteen schools.

"Our congratulations to Mrs. Bonstrom on her fine year."

HOCKEY

Detroit Lakes finished the hockey season with a 3-13 record, including a 3-1 to Moorhead in the first game of the District 23 tournament. Moorhead subsequently bowed 6-1 to Bloomington Kennedy. The Laker victories came over Fergus Falls (twice) and Alexandria.

Captain Rick Lynch, closing out his prep hockey career, scored nine points on seven goals and two assists to lead Detroit Lakes high school's hockey team in scoring for the 1965-66 season. The Laker scoring was closed out by Mitch Vogt and Ron Neitzke with a point apiece.

Defenseman Bill Bonde was the top Laker for drawing penalties with seven, which cost him 10 1/2 minutes in the "sin bin". Lynch and Curt Brown were called for six penalties each.

Goalie Nennis Maruska made 350 saves and allowed 58 goals for a .858 average in that department.

CROSS COUNTRY

The Cross Country team has completed another successful season and for the second year won the Resort Region Championship. The Resort Region is considered to be the "big league" in Detroit Lakes sports competition.

In a close second to Fergus Falls in the District meet, Detroit Lakes again competed in the Region 6 meet coming in fifth.

Gale Chase has proved to be a "new find" in Cross Country. He won the Inter-Class meet with a new record of 9.2.

The Cross Country is coached by Mr. A. R. Ehrnst. Under his guidance the Detroit Lakes Senior High School Cross Country team has made a wonderful showing. And we wish the boys all the luck in the years ahead.

TRACK

Seniors Howie Anderson, Rick Lynch and Gary Olsen lead Detroit Lakes to a third place finish in the District 23 track and field meet at Perham. Anderson took second in the 440, setting a Detroit Lakes school record with a time of 52.2. Lynch won the District pole vault title setting a record with a leap of 12' 4 1/2". Olsen was second in the high jump with a jump of 6'1". Olsen broke the school record in the 180 low hurdles with a time of 20.8 seconds. Gale Chase also set a school record by running the 880 in 2:04.1. The mile relay team of Jeff Ohman, Dennis McKenzie, Bruce Seim and Gary Olsen set a school record in the district meet with a time of 3:39.7. Howie Anderson, Rick Lynch, and Gary Olsen earned the right to compete in the Region Six meet at Glenwood, where all three took a first place in their respective event.

Coached by Mr. Orlin Bonstrom, Detroit Lakes fielded one of their strongest track teams in many years. Judging by the many broken school records left in the wake of this year's team, future Laker teams will have their work cut out for them.

Seniors Darrel Barnack and Bob Lueben paced the Lakers in hitting this past season that in which the Lakers posted a 7-5 win-loss record. A highlight of the season was Bob Lueben's no-hitter against Fergus Falls earlier in the season.

Queen Janice Anderson

All week long the halls of DLHS buzzed with excitement and homecoming preparations, and it all came to a head on Friday afternoon, October 8, as everyone filed into the auditorium to see a new homecoming queen crowned and to watch the skits. The new Laker homecoming queen for this year is Janice Anderson. She was crowned by co-captains Dean Guida and Howie Anderson. Other candidates were Ardis Rusten escorted by Gary Olsen, Lynda Jenson escorted by Ivan Goepferd, Linda Ball escorted by Kevin Mahoney, and Linda Ferber escorted by Russel

Olson. Ken Bishop escorted Queen Janice who officially opened the homecoming celebration.

As for the skits, the German Club portrayed a coronation of their school "beauties" who were "mistakenly" left off the ballot. Speech II presented "Snow Del and the Twelve Dwarfs." The program was rounded off by a skit by the Synchronized Swimming team.

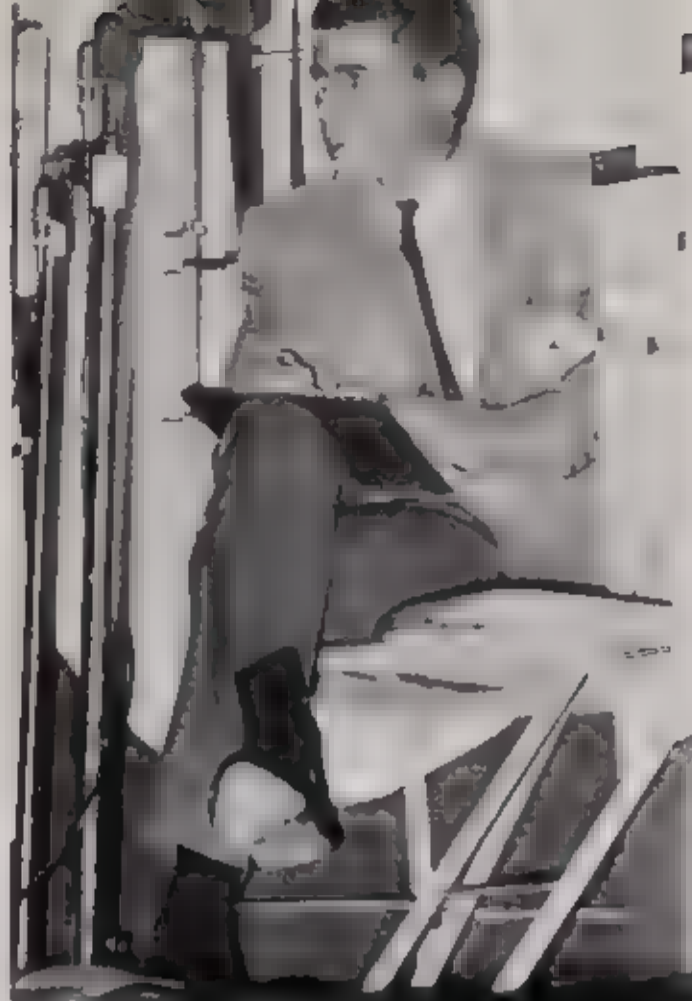

The slogan "Deck the Halls with Thief River Falls" rang through the evening and became a truth after the Lakers dumped Thief River Falls 21-12.

"A" CHEERLEADERS

"How would you like to sign up for the bus to the game?" Rounding up enough students for a bus to an out-of-town game is a big job in itself but an "A" cheerleader's job doesn't stop there. They spend much time devising new cheers and synchronizing old ones. Feeding starving teams a well deserved meal after games, and organizing pep fests is another job of these cheerleaders. The cheerleaders have done a lot to increase the enthusiasm in all Laker sports with football and basketball the most emphasized. The student interest towards swimming, wrestling and hockey, however, has greatly increased.

Few people realize how much time and effort such things take, but the cheerleaders feel amply rewarded by the feeling that they helped spark the team to "Victory". This makes all the time and effort worthwhile.

"B" Cheerleaders

Did you notice the new and revised B'team cheers? The four Sophomore B' squad cheerleaders, with their ingenuity and imagination gave many of the old cheers a new look. Their peppiness helped promote more enthusiasm toward Sophomore sports. These girls also took part in the pep fests and took their turn at serving the teams after the football and basketball games.

Jerry--A.F.S. Student

Our foreign exchange student of 1965-1966 was Ellsworth Cattouse, or better known as Jerry, from Guatemala City, Guatemala. Jerry's American family was Mr. and Mrs. D. H. Tufte and brothers, Gary and Jon.

Jerry's school year at Detroit Lakes was an exciting and a very busy one. Besides his many public appearances, Jerry took an active part in many of our school's extracurricular activities. He was an honorary member of the Student Council and of the Honor Society. Jerry also added another good voice to the school choir. Jerry became an enthusiastic fan of the various Laker sports and played football, soccer, basketball, wrestling, and volleyball. Jerry wasn't too familiar with our Winter sports as he had never seen a great amount of snow. Our cold winter and our overabundance of snow was a surprise and a new experience for him.

Because the school year in Guatemala begins in January and ends in October, Jerry will have to finish three months of school when he goes back home.

After two years at the University in Guatemala studying to become a doctor, Jerry plans to come back to the U.S. When Jerry returns he will find an established home here in Detroit Lakes.

DELAKONIAN

This year's Delakonian staff has worked long and hard to produce a new and different yearbook. With the help of Mr. Ron Maki, D.L. Art instructor, the yearbook has taken on a new look. Its blue and gold cover symbolizes the richness and fine quality of the students of D.L.H.S. while the many pages which fill it reveal the increasing number of those students.

As we dedicate our yearbook of 1965-66 to Mr. Robert Benson, we realize what fine teachers are leaving us and that many new teachers will be coming to Detroit Lakes.

The staff has captured such wonderful events as Homecoming, Prom, and Graduation, all so important to our graduating class. We hope this will prove to be a yearbook full of wonderful memories for D.L.H.S. students.

D.L.H.S. DRAMA

This year with the coming of Mrs. Terri Knutson to DLHS a drama club was created. The club elected Joel Jahnke as Pres., Mark Gunderson as V.-Pres., and Rita Ruona as Treas.

The main purpose of this group is to develop good actors and actresses and produce better plays. They succeeded in producing such fine works as Everybody Loves Opal, Love Rides the Rails, and the one-act play Teahouse of the August Moon. We wish them even better luck next year.

G.A.A.

G.A.A. (Girls Athletic Association) is one of the many organizations under the able guidance of Mrs. Bonstrom. The first meeting of the year is always a bike hike around Detroit Lake. This takes about an hour and ends at Long Bridge with a tired crew. Softball, broom hockey, volleyball, and other sports are tried with an added dash of laughter and enjoyment which creates an atmosphere of fun. Many noses are frozen while skating or walking to the bowling alley but its all part of the fun.

G.A.A. meets every Monday. The girls in G.A.A. enjoy sports and competition.

The girls receive a certificate, letter, or pin at the end of the year depending on whether they are sophomores, juniors, or seniors.

This year's officers are: Pres. Kathy Sandin; V.P. Sec. Shila Knutson. The officers are assisted by a council board of seniors.

The inspiring cheers by pep members, Batman members, and our fine student body at athletic events has been a great help to our team in achieving success.

TUMBLING CLUB

The tumbling club met weekly, on Thursday during release time. They practiced for the shows they gave during half time and did many other interesting things. Some of the equipment used included the rings, the tramp, the balance beam and parallel bars.

STUDENT COUNCIL

The Student Council under the supervision of advisor Mr. J. Baker, is the guiding mind through which the student body may channel its ideas and recommendations for a better school.

Student Council soon found out that they had a busy year ahead of them. They again took complete charge of all Homecoming activities, sponsored the Christmas door contest, held a dance after a basketball game, bought tournament "Laker" hats, hosted the Western Student Council Congress here this fall, and organized concessions. Concessions was the main project this year. They purchased a popcorn machine early this fall and had it operating at all the football and basketball games.

Presiding over the Student Council meetings was President Ross Donehower with Vice President Russ Olson, Secretary Linda Ball, and Treasurer Diane Bratlie.

USHERETTE'S CLUB

Another very important organization in our extra-curricular program is the Usherette's Club. Those who are members of this club are girls who are interested in giving their time and service to our school. Directed by Miss Ardis Wilander, the Usherette's Club chose Marilyn Heggeness as head Usherette.

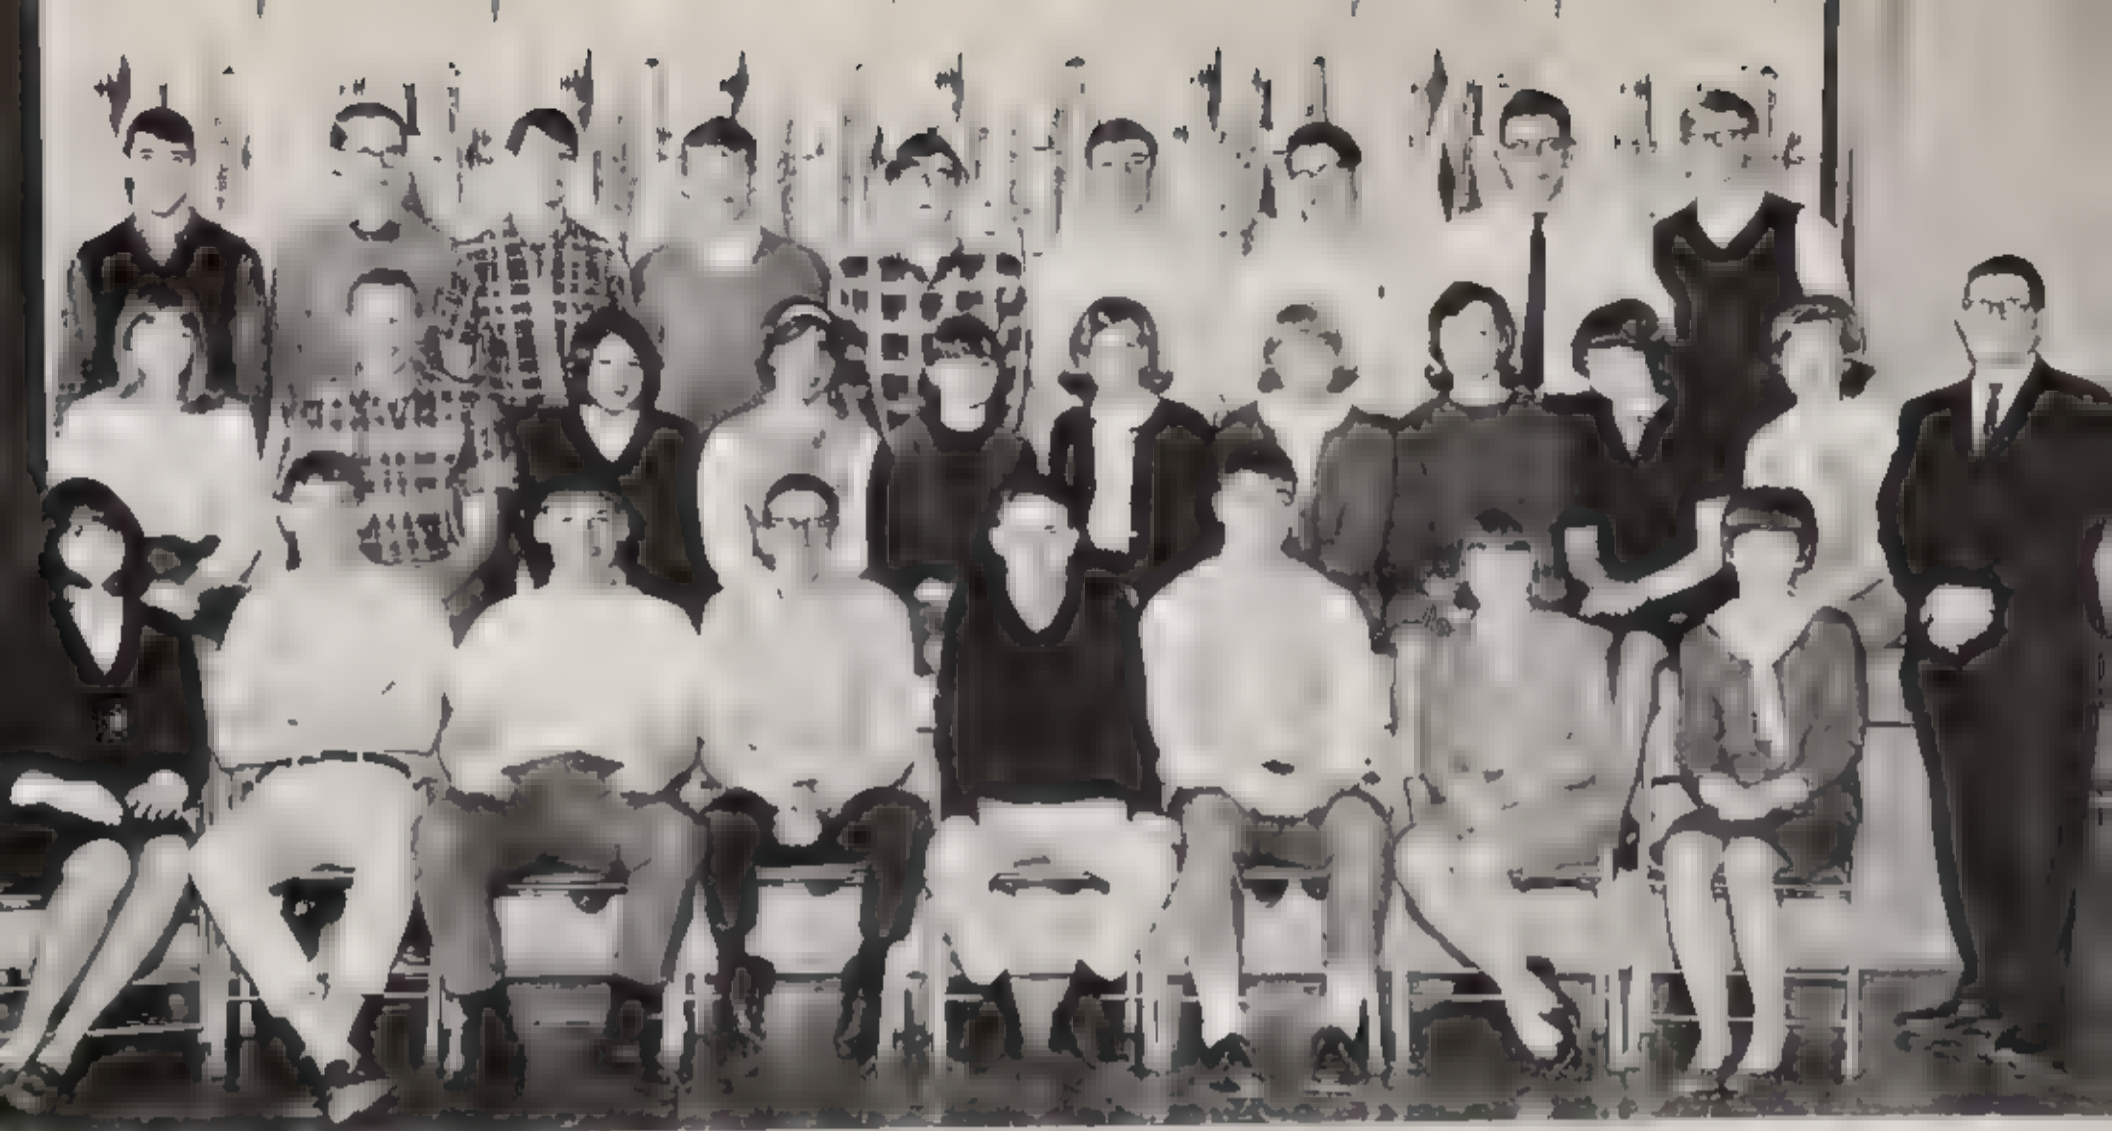

The girls performed such duties as handing out programs and ushering at concerts, basketball games, graduation, and other school events. Our hats off to a very vital organization that is too often taken for granted.

The Librarian's Club is an organization of students who volunteer their services during their study halls to serve the student body. They relieve the burden on the shoulders of the head Librarian, Miss Wilander. Besides working at the desk, they put books back on the shelves and keep the shelves neat. Also they decorate the Library and keep it neat and attractive. They have meetings once a month and sell concessions at the games. And in addition, they sell Rice-Crispies' bars to raise money for the club's use.

MIGHTY MEN

Vital to our education are our Mighty Men, who have the responsibility of showing educational films during the year. Under the direction of Mr. Buboltz, members undergo many hours of training before they are qualified for this important job. When qualified, they spend many hours providing the students with an important part of education.

GIRL-BOY STATERS

This year Denny Maruska and Mary Norum were chosen to be the Detroit Lakes delegates to the American Legion Girls' and Boys' State. This is a practical program in state and local government which is held each summer on the University of Minnesota campus. Both sessions include many different discussions and the experience of running in a model election. Courses are taught on the objectives of government experiences, civic behavior, and higher appreciation and whole-hearted allegiance to the democratic way of life.

SPEECH

ACTIVITIES

This year's Speech has had many varied activities. Certainly Speech has had some of its finest speakers and actors.

Speech is divided into three groups: radio, drama, and oral interpretation. The radio shows are the specific duty of the Speech students. The class is divided into four groups which alternate weeks of High School Highlights. The students are actually given a chance to be on radio and this experience may possibly help a student find a rewarding career in this field. This gives them a chance to gain self-confidence, poise, and a flexible voice.

Oral interpretation covers a broad field of literature. The students are given a chance to interpret many different types of literature and learn about the various interpretative means.

This year's discussion group had 18 members: Tom Vierzba, Anne Graves, Patty Nicholson, Carol Christianson, Mike Sullivan, Steve Thompson, Marion Wold, Linda Palmer. A different topic is discussed each year and this year's topic was Censorship.

This year's Speech II went all out to produce a three act play entitled "Jenny Kissed Me." This was a delightful play about a young girl who comes to live in a parish house and from there the trouble commences. Because of the great audience response Speech II was able to buy a carpet for the radio room.

There were many contests held this year in connection with Speech II besides the State Contest. For the first time Detroit Lakes participated in the St. Cloud Invitational where Linda Ball and Linda Ferber received A's and thus won the Trophies. It isn't often that two people receive this trophy. In the Concordia College Invitational Rita Ruona, Linda Ferber, and Linda Ball won A's in their divisions. Detroit Lakes also traveled to the Macalester College Invitational where we entered the octathlon and several separate divisions. Linda Ball placed second in the octathlon and Rita Ruona won an A in extemporaneous reading.

Truly it was a busy year for Speech activities. Detroit Lakes Senior High will certainly miss Mrs. Adams who has made Speech so interesting and worthwhile. We wish her the best of luck at St. Cloud College.

LOVE RIDES THE RAILS

"Love Rides the Rails, or Will the Mail Train Run Tonight?" was the second dramatic production of the year. Under the direction of Terrence Knutson this old fashioned melodrama rode into the hearts of theatre goers during the four nights it was presented in the Little Theatre. During the historic "Blizzard of '66" it looked for a time as though the villain Simon Darkway (Joe Jahnke) and his hireling Dirk Sneath (Mike Sullivan) would actually prevent our beloved mail train from running, but the train ran, even through drifts of snow in order to be shown to the visiting delegates and participants of the National Forensic League meet.

Carlotta Cortez (Rita Ruona) attempted to steal the love of Truman Pendennis (Ken Bishop) from our heroine Prudence Hopewell (Jessie Lange) but, as with all melodramas, truth won, the villain was defeated and humiliated as well exposed for the "cur" that he was and strong "liqwar" was forever banished from the lips of our hero. Nancy Johnson, Joyce Badar, Kevin Mahoney, Rick McCarthy, Tom Watson, Lynette Perrine, Michelle LaBarre, and Nellie Northrup added to the enjoyment of this production in such well remembered scenes as the "Can Can" from Act II.

Under the guidance of a new director, Mr. Lee Holmes, the 1965-66 band had a very busy year. In addition to the regular schedule of playing for football and basketball games, the band was also engaged in a number of concerts, contests, and also, the unforgettable trip to Winnipeg.

This year's band officers included: Rich Perrine--President, Tim King--Vice-president; and Marion Wold--Secretary-treasurer. These officers worked closely with Mr. Holmes on all fund raising projects and all major plans and decisions.

One Superior rating was received by the band in the district band contest held at Perham. There were also several soloists who were given Superior ratings at the district solo contest held at D.L. Debbie Smith and Drew Hamre succeeded in bringing home Superior ratings from the state regional contest at Morris.

The big project for the band was their trip to Winnipeg. In order to raise money for the April trip, a pancake supper was held in February and a donkey basketball game and a car wash in April. The Winnipeg adventure was enjoyed by all including the brave chaperones: Mrs. Reid and Mrs. Wirtz. "Uncle" Stan Richardson served as the guide around the city and kept things running smoothly. The concerts were very well received and the tired band reluctantly returned home satisfied that their hard worked for trip was a big success.

Preceding the trip was the annual All-City Band Festival. This featured bands of the grade school, junior high, and Senior High. This year's guest conductor was Robert Van Voorhis from U.N.D.

A new system of awards was initiated this year with letters and stripes being given, in addition to the traditional Senior pins. The John Phillip Sousa award was presented to Rich Perrine at the close of school to end a very successful year for the D.L. band.

GIRLS' CHORUS

GIRLS' CHORUS

This year there are twenty-one sophomore girls in Girls' Chorus. They are under the new direction of Mrs. Fred Coughlin who works with them every Tuesday and Thursday. All the girls share a great musical interest and realize that their organization is an important one as they will be the first considered for the following year's mixed choir. The purpose of Girl's Chorus is to give the girls the opportunity to develop their musical talent and give them the experience they need for group singing.

This year the Girls' Chorus gave concerts in November and April. In the November concert they sang "Getting to Know You" and "Thanks Be to God" while in the April concert the girls had a hillbilly act. Posing as Hillbillies they sang "Cranberry Corner", "Popcorn Carnival", and "The Old Woman and the Peddler." This year's Girls' Chorus shows fine promise for next year.

CHORAL GROUPS

It seems that this year many choral groups have sprung up, among them are the Boys' Folk Trio, Boys' Quartette, Girls' Triple Quartette, Sweet Sixteen Singers, and the Singing Quints.

All these groups were relatively new except the Boys' Folk Trio, consisting of: Craig Lilja, Howie Anderson, and Russ Olson. These boys really know how to sing. They were the winners of the D.L.H.S. Talent Contest, the first of its kind here at D.L.H.S.

The Boys' Quartette has also been working very hard. They also sang in the talent contest and placed second. Throughout the year, Jarl Olson, Russ Olson, Tim King, and Rich Perrine have sung for various gatherings. The boys really seem to get a lot of enjoyment out of singing and the students of D.L.H.S. enjoy listening to them.

The Girls' Triple Quartette were kept busy during the year also. They performed at church gatherings, social gatherings, and concerts. The girls enjoyed singing folk music best, but we'll always remember the April concert when the quartette sang "Love Makes the World Go Round" and "Hear My Prayer".

It was just about Christmas time when Mr. Holmes, the band director, organized the Sweet Sixteen Singers. They performed "American" Christmas songs at the concert and the students and audience alike thoroughly enjoyed them.

Another group also began this year which promises to be a very successful one. They are The Singing Quints: Jean Metelak, Lynette Perrine, Jody Anderson, Michelle LaBarre, and Wanda Fingalson. Everyone enjoyed their presentation of varied music at the Spring Concert and we wish them A success in the following years.

PROM 1966

On May 8th, the Juniors and the Seniors of Detroit Lakes High School were treated to a "Night at an 18th Century Masked Ball." The Erie 34 club was transformed into an elegant ball room, and table favors of ornate masks completed the motif.

After the delicious banquet, Promgoers enjoyed dancing, table-hopping, and friendly conversation until seniors Joe Jahnke, Susan Boyer, and Jerry Cattousse began the formal entertainment program for the evening.

Alive with excitement and glamour, the Prom ended all too soon--and seniors sadly left their last Prom, while Juniors were thinking with happy anticipation of next year's Junior-Senior Prom.

NATIONAL HONOR SOCIETY

Students of Detroit Lakes High School have the opportunity to gain well-deserved recognition for outstanding scholarship through the local chapter of the National Honor Society. The four necessary qualifications for membership to the Honor Society are scholarship, leadership, character, and service. Final selection is carefully made by a faculty committee and other Honor Society members. New members are welcomed into the society at the solemn and impressive induction ceremony held before the student body. Under the direction of Mr. Benewicz, this year's Honor Society upheld the rigid standards set by the National Committee and gained respect and admiration from the faculty and student body.

On June 3, 1966, two-hundred and sixteen Detroit Lakes High School students received their diplomas after twelve years of hard work, good times, heartbreak, and sacrifice. Guest speaker at the commencement was Mr. Daniel F. Foley, former National Chairman of the American Legion.

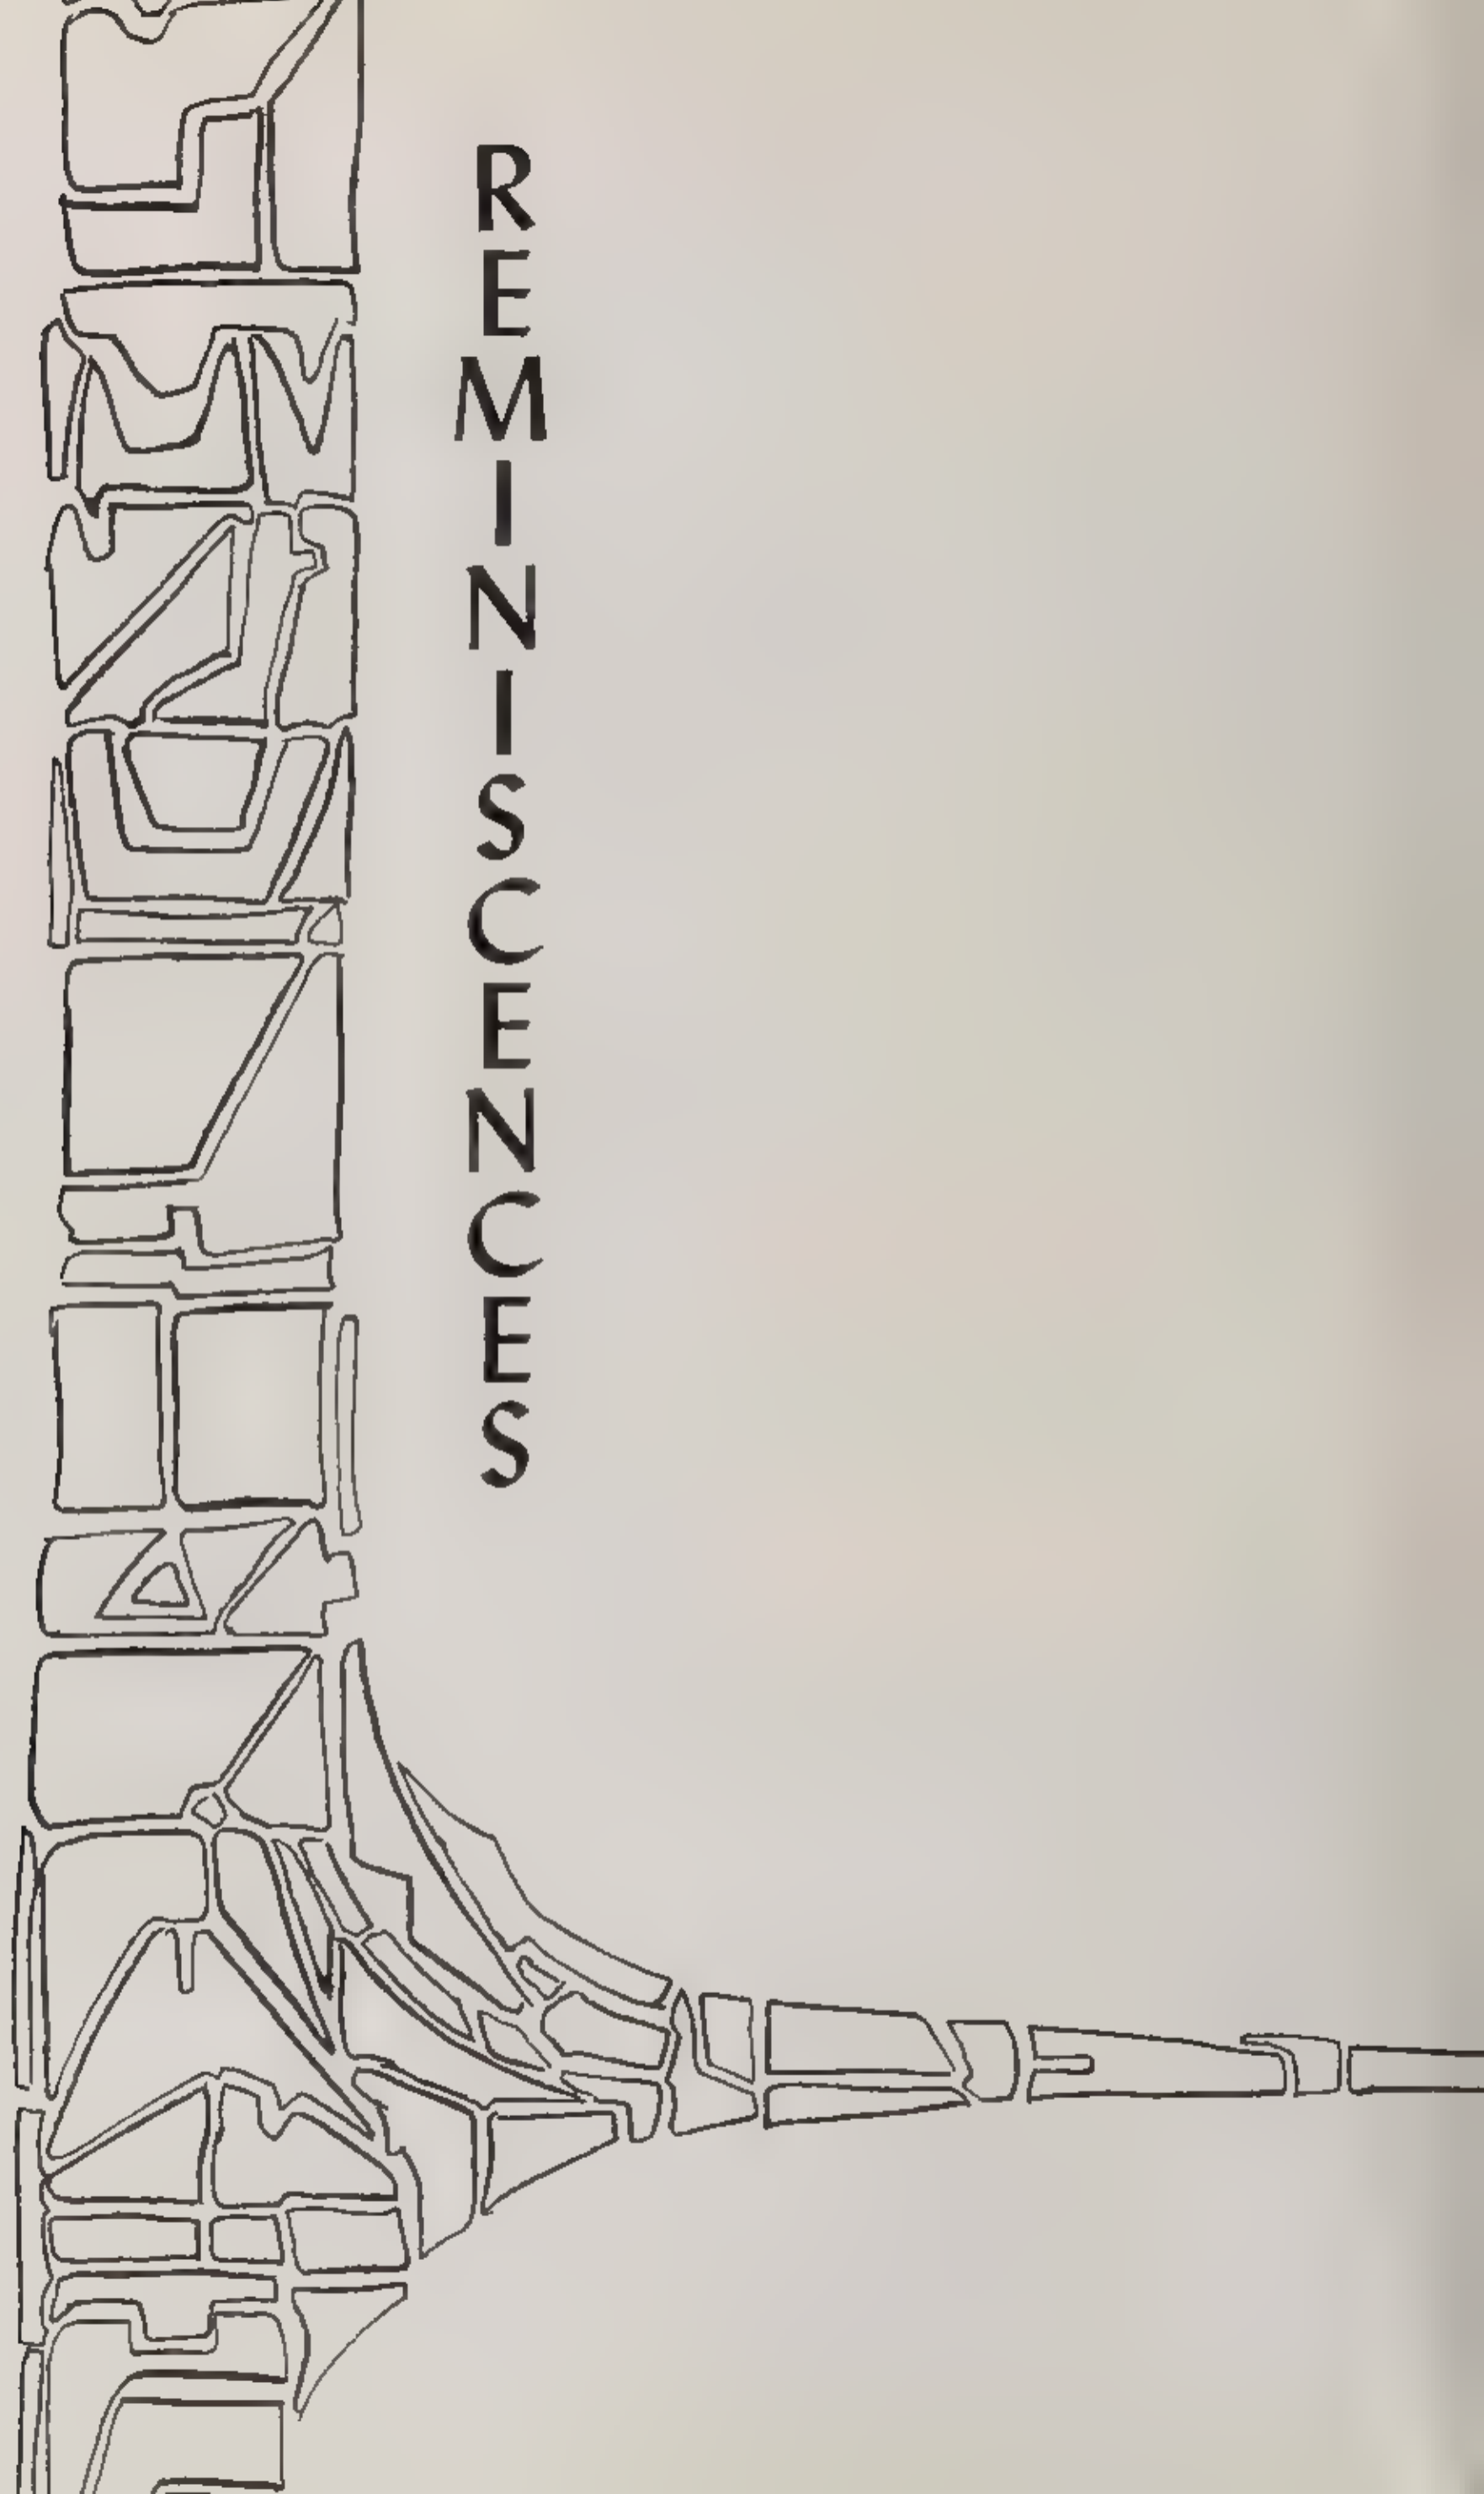

Students who will think back to graduation night and past school years will most heartily agree that this was life at its very best.

World News—1965

1 Humanitarian Dies—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 Queen Speaks—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 Miss Universe—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 Bosch Returns—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 Wins in Run-Off—Charles de Gaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave De Gaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president.

6 Agrees to Cease-Fire—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 Abortive Coup Fails—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 Soviet Winner—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 Return to Desolation—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 Price of War—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 Reason to Celebrate—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 Colonial Rule Shaken—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
